Rowe & Co., Ft. Lauderdale, Fla.	Lots 82, 83, 84
Hazard Stay, Athens, Ga.	Lots 66, 67, 68

Please Note—

On the afternoon before the sale, at 3:30 p.m. the judge will inspect all of the cattle in the Southeastern Regional show and sale. He will eliminate what, in his opinion, are the bottom 15 per cent of the bulls and the bottom 15 per cent of the females. The eliminated bulls will not be allowed to sell through the auction. The eliminated females will be allowed to sell in the "off grass" section but will pay Regional sale expenses. This system keeps the quality high. Every consignor sends his best, because no one wants to fall in the eliminated group. Any bull unsound in his legs or testicles will automatically be placed in the eliminated group.

General Sale Information

LOCATION—The sale will be held at the sale pavilion of the Georgia Farm Products Corporation. It is located on the outskirts of Thomaston, Ga. Thursday, March 12, 1959. Show 9:00 a.m. Sale 12 Noon. The facilities will be thoroughly cleaned and disinfected prior to the sale. Thomaston is 50 miles west of Macon and is centrally located for cattlemen throughout the Southeast. The elimination of the bottom 15 per cent will take place at 3:30 p.m. the afternoon before the sale. Sale headquarters—HOTEL UPSON, THOMASTON.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchaser.

HEALTH—All cattle have been tested for T.B. and Bang's within 30 days of the date of this sale. A number of the females have been calfhood vaccinated for Bang's and in these cases vaccination papers will be delivered to out-of-state buyers.

Sale is conducted under the health rules of the State of Georgia. It is the obligation of the buyer to be aware of any deviations in rules applying to entry of cattle to his own state.

The greatest percentage of cattle in this sale are either from herds Accredited for T.B. and Bangs and/or the cattle are vaccinated for Bangs. A complete list of such status will be posted at the sale for the benefit of Florida buyers. Rules of their state require cattle entering to be either from Accredited herds or vaccinated for Bangs.

GUARANTEE—The cattle are being sold under the standard guarantee of the American Shorthorn Breeders' Association.

AUCTIONEERS—C. D. Swaffer, Tulsa, Oklahoma; Ray Brockinton, Macon, Ga.

SALE MANAGER—Don Longley, 16 So. Locust St., Aurora, Illinois.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of the guests of this show and sale, neither this association, its auctioneers, clerks, owners or employees of the sale barn, nor the sale manager can assume any liability. Every person attending does so at his own risk. The sale manager was retained by the Southeastern Shorthorn Breeders' Association for the specific purpose of compiling the sale offering, handling the advertising and publicity, preparing the catalog and disbursing the receipts, and has no connection with the handling of the cattle or the condition of the premises.

MAIL BIDS—May be sent to any of the following representatives. Last minute messages will reach them by calling the Upson Hotel or the Georgia Farm Products Co. Sale Barn.

Representatives

R. G. Heine, American Shorthorn Breeders' Assn., R 3, Box 134, Pensacola, Fla. Phone HE 34740.

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill. Phone, Aurora, 68511.

W. "Tap" Bennett, Central of Georgia Railway, Agriculture Dept., Savannah, Ga.

Scott Wilson, Southern Livestock Journal, Macon, Ga.

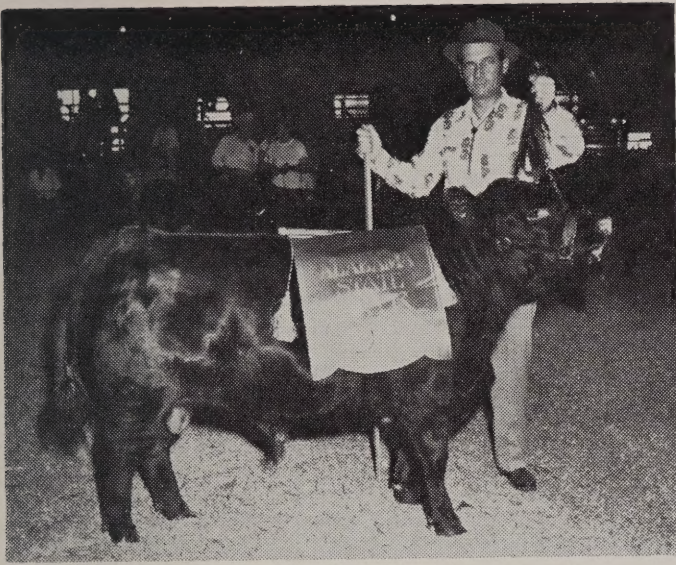

Robert Long, Animal Husbandry Dept., Univ. of Georgia, Athens.

C. D. Swaffer, Auctioneer, 1111 So. Pittsburgh, Tulsa, Okla.

Ray Brockinton, Auctioneer, Georgia Livestock Terminal Market, Macon, Ga.

Z. A. Massey, Georgia Farm Products Sale Pavilion, Thomaston, Ga.

Jim Hays, Secretary, Chamber of Commerce, Thomaston, Ga.

Oliver Healey, Foxdale Farms, Duluth, Georgia, immediate past president of the Southeastern Regional Shorthorn Association, is just one of many reliable breeders who consign to every Southeastern sale. He is shown at the halter of Foxdale Gallant, Grand champion, 1957 Alabama State Fair, Junior champion, Southeastern Fair, Atlanta.

Attend the Southeastern Banquet and Meeting

Hotel Upson, Thomaston, 7 p.m., Wednesday, March 11. The public is cordially invited to this informal cattlemen's get-together. We are pleased to have as our judge and principal banquet speaker:

**Reford W. Gardhouse, Aberfeldy Farms,
Milton, Ontario, Canada.**

Judge of the Perth, Scotland show and sale, 1952 and again in 1958. Past-president Canadian Shorthorn Breeders' Association. Current President Canadian Joint Beef Breeds Council. Mr. Gardhouse will speak on his wide experiences and travels throughout the world in the Shorthorn business.

Committee on Local Arrangements

George H. Miller, Jim Hays, Executive-Secretary Thomaston and Upson County Chamber of Commerce; Z. A. Massey, Georgia Farm Products Corp., all of Thomaston, Georgia. We would like to take this opportunity to thank these men and the other citizens of Thomaston who work so hard helping us with this sale.

Sale Manager . . . Don Longley, 16 So. Locust St., Aurora, Illinois.

OAKWOOD CONSIDERATION—We hesitated to sell this proven sire for fear some people might feel we had lost confidence in him. This is far from the fact, as he has been a most successful sire. We have kept a large number of daughters, have two younger sires to mate to them, and it seems a shame for a bull of such calibre to have limited service. Oakwood Consideration was the Reserve Grand Champion and top selling bull of the 1954 National Polled Shorthorn Congress. All of his calves have averaged over \$400 . . . and this figure includes a number of club steers and many heifers sold under a year old. His calves are like himself, rugged, good heads, lots of bone, scale and ruggedness. A full brother was in the first prize bull groups at the 1952 International and is the sire of Home Again Farms well known, Home Again Illustration x.

Champion females, 1958 spring sale, Thomaston. Left, Charles Hix with the grand champion female, right the White Plains reserve champion. Hix will be back with another strong consignment this spring, two bulls, two females.

LOUADA CHIEFTAIN—At the 1958 Louada sale we purchased two sons of Calrossie Armada. We have used this bull this season, but in our size herd we cannot use two half brothers. This bull cost \$1,600 in the Louada sale. He is out of the famous cow Millhills Secret 10th purchased by Louada for \$3,600 from Birmingham Farms. She has produced more top bulls than about any cow in the country. She was the dam of Millhills Calrossie Leader and Millhills Calrossie Leader 2nd used at Birmingham, Louada Grand Duke at Edellyn, Louada Select sold in this year's Louada sale for \$4,800 and also a heifer that went to the Bapton polled herd in Scotland. An unusual opportunity to buy a bull of great breeding offered right at home in the Southeast. See his calves at foot in this sale.

CASSOCK LEADER 3d x—This rugged, heavy boned bull made his Gold Medal weight in Indiana. He is very good over the loin and carries considerable thickness. He combines the blood of Lynnwood Leader and Alauna Collynie x. Was shown several times in Indiana and always stood well. In perfect breeding condition.

This attractive picture of young heifers was taken on the farm of W. P. Hix, Winchester, Tenn. Southeastern Regional sale offerings are strong because we are able to draw on the best productions from a five state area.

This Sale Includes The Reduction Of Two Top Herds

Augusta Tinkabell and her calf by Calrossie Cock Robin. This imported cow was purchased by Rowe & Co. Ft. Lauderdale, Fla., for \$2,050 in the 1952 Campbell sale in Canada. A daughter sells.

This sale affords some of the outstanding buying opportunities ever offered in the Southeast . . . or anywhere else. Two excellent herds are being reduced through this sale.

W. A. Womack, well known cattleman from Ashford, Alabama, has decided to sell his registered herd. It will be offered in two groups through the Southeastern . . . this spring and next fall. Selections have been made for this sale on the basis of those females that will either have calves at foot or will be right up to calving to Leveldale Charioteer. The Womack herd foundation was purchased from leading herds in the Midwest. He was one of the principal buyers in the Metz Dispersion. See lots 23, 24, 26, 28, 30, 31, 35, 36, 37, 40, 41, 42, 43 and 44.

Rowe & Co., whose ranches at Ft. Lauderdale continue to be subdivided, founded their herd through the purchase of the top females in the Campbell Farms All-Imported sales, the Louada sale, the Toronto sale, the Gardhouse sales, all in Canada, and the Mathers sale. In 1958, they selected two excellent sons of Calrossie Armada at the Louada sale, and since the herd is being divided through this sale one of them sells, Louada Chieftain, Lot 3. The other, Louada Bannister, a member of Louada's first prize three bull group, 1958 International, is represented through his service.

From the writer's knowledge of the Rowe herd, and he has been present at nearly every sale in which Mr. Rowe has purchased, it appears this draft contains the very tops purchased. These cattle will not be fat, but there is no question but they are among the most valuable breeding animals to sell this year. See lots 3, 32, 33, 34, 38, 39, 48, 52, 55, 57, 58, 60, 82, 83, and 84.

Leveldale Charioteer. \$2,250 son of Leveldale Basis purchased by William A. Womack, Ashford, Alabama. 1956 Mathers sale. He is out of the same dam as the International reserve junior champion, Leveldale Good News. The fourteen females being sold by Womack will either have calves at foot by him or will be right up to calving.

BALDOWRIE AUGUSTA ANNE 3d—Another great imported cow on which all the fees are paid. Sired by Kirkton Heir considered by many to be the greatest breeding son of Kirkton Baronet. Daughters of Kirkton Heir are in the greatest herds of the breed. The dam is by Pittodrie Uprise, half brother to Pittodrie Upright. Pittodrie Uprise sold the same year as Pittodrie Upright and also brought a near record price. Bred to Louada Chieftain. Will calve before the sale.

Grand champion bulls, 1958 Fall Southeastern Regional Sale, Camilla, Georgia. Shorthorn and Polled Shorthorn bulls like these are always offered in strong numbers in Southeastern Regional sales. They are providing the profit essentials practical cattlemen seek . . . traditional Shorthorn Weight for Age . . . Faster, More Economical Gains . . . More Milk in the Beef Cow . . . Freedom From Cancer Eye and Other Heritable Diseases.

The Best GROWTH Proposition In The Beef Cattle Industry

Twenty-two semi-annual Southeastern Regional sales have been held. Offerings that deliver to the cattleman exactly what he needs . . . at prices he can afford to pay . . . and in sufficient numbers to making attending worthwhile . . . have been key factors in the rise of this event to the leading permanent breed institution in the South.

This sale has been built by consignors who believe in it . . . who return each spring and each fall with their best productions. In each sale, a healthy representation from new herds has helped spur development.

However, every Shorthorn breeder knows, we have just begun to scratch the surface of the breed's potential growth in this area. In last spring's Southeastern 16 bulls averaged \$500, 43 females \$326, 17 "off grass" female lots \$269. In the fall sale 32 bulls averaged \$537, 26 females \$342, 35 "off grass" female lots \$294. Two years ago the Giddens sale held right in Georgia averaged \$1,046.

The demand is here. Many more Shorthorn and Polled Shorthorn production and consignment sales are needed . . . and are included in our future growth plans. You will be welcomed as a part of this growth.

BRIARDALE CLIPPER MONA 2d—When we purchased this cow and her twin sister, both at four-figure prices, Don Longley commented that they were the best pair of breeding females to sell anywhere that year. They are from on of the best cows in Canada and one of the few Calrossie females in this country. Note the dam is a direct daughter of Kirkton Baronet. This one sells with a red heifer calf dropped January 4 by Louada Chieftain and will be rebred to Louada Bannister.

Briardale Clipper Mona. \$2,500 top selling female of the 1953 Toronto sale. She was the first daughter of Calrossie Clipper Moira, dam of the Briardale twins that sell as Lots 33 and 34.

DRYNIE AUGUSTA 65th—An unusual opportunity to buy an imported cow. The recording fees are all paid. She comes from the famous Drynie herd. Females of this Drynie Conquest-Naemoor Immaculate cross are in the finest herds in Scotland as well as in such herds as Aberfeldy, Louada, Edellyn, Marellbar and Mathers. There is no more potent blood than this. Sells with a December 31 bull calf at foot by Louada Chieftain and will be rebred to Louada Bannister by Calrossie Armada. Bannister was a member of the first prize group of three bulls 1957 International. Her two-year-old daughter also sells.

AUGUSTA ARENESS 2d—A daughter of a great imported cow that we purchased for \$2,050 in the 1952 Campbell sale. This two-year-old heifer is sired by the \$3,700 Leveldale Boxer. She is bred November 18 to Louada Bannister, member first prize group of three bulls 1957 International and a son of Calrossie Armada.

Edellyn Emperor. First prize summer yearling, 1957 Iowa and Wisconsin State Fairs. Dam, the International reserve champion, Edellyn Dorothy 21st. He was purchased for \$2,000 in the Edellyn Dispersion by H. L. & P. N. Smith. Lot 53 is bred to him.

BROYLES CASTER'S GIRL—An attractive open heifer by Sandoon Forecaster, the bull that did such a good job for Dr. Burriss. We purchased him in the Burriss dispersion and are getting a great set of calves from him. This heifer is young, but we want to show you the quality he is producing.

The "Off Grass" Female Sale

Since the inception of the "Off Grass" female sale three years ago as a part of each Southeastern Regional, females numbers in this sale have increased considerably. In three years approximately 400 female lots have been sold through the Southeastern Regional sales.

This program is the Southeastern's contribution to the growth of the breed. Each sale has proven the starting point for many new herds. As their production increases, more females will be available for greater expansion. The potential expansion of Shorthorns and Polled Shorthorns in the Southeast is almost limitless. We have just begun to scratch the surface. There is a tremendous need for Shorthorn blood . . . to give greater weight for age and feeding efficiency, to provide female stock for cow herds that can give enough milk to raise fast gaining, heavy weaning calves.

Practical cattlemen know that females do not have to be fat to be good. Many good registered herds in the South are not set up to fit or halter break all of their cattle. We do not rule out of this sale good quality, well bred, females from dependable herds, simply because they are in pasture flesh.

In this sale you can be assured of a selection large enough to fill your needs, quality sufficient for the strongest foundation, and prices that will work out even if you wish to maintain your registered herd on a strictly commercial basis.
